DATE MAILED:

Please find below a communication from the EXAMINER in charge of this application

Commissioner of Patents

The communication filed on May 21, 2001 is not fully responsive to the communication mailed November 22, 2000 for the reason(s) set forth on the attached Notice to Comply With the Sequence Rules or CRF Diskette Problem Report.

Since the response appears to be bona fide, but through an apparent oversight or inadvertance failed to provide a complete response, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

**SPECIAL NOTE:** The Examiner notes that **SEQ ID NOs: 1-7** are found in the claims; however, the instant CRF contains only 6 sequences. Additionally, the instant specification contains various sequence disclosures without benefit of SEQ ID NOs; appropriate correction is required in response to the instant Office action.

Any inquiry concerning this communication should be directed to Examiner Kathleen M. Kerr, Art Unit 1652, whose telephone number is (703)305-1229.

Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center receptionist whose telephone number is (703) 308-0196.
